Continuation of Attachment(s) 3. Information Disclosure Statements (PTO/SB/08), Paper No./Mail Date: 5/23/05;11/27/07;3/24/08.

The following is an examiner's statement of reasons for allowance: The voluminous prior art of record, cited by applicant, is believed to be closest prior art and fails to teach or suggest the bed adjusting devices of the claims.

Mr. Overberger is correct in pointing out that he only stated that no PCT form 408 was available to him at the time of our interview on 5/30/08, and it was me, not him, who stated that the claims in European Patent No. 1 523 257, allowed over the same prior art that is of record, are seen as substantially identical to the pending claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Grosz whose telephone number is 571-272-7041. The examiner can normally be reached on Monday - Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patricia Engle can be reached on 571-272-6660. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
